

## **ELISSA**

Character written by Belisario Fosca Wieler

Elissa is a captivating French-Canadian woman who met Klaus during one of his studies in Mexico, where they both fell in love and married a year later.

Elissa is an engineer with a sociology degree.

She is a 5.8 ectomorph with a high IQ who has worked as Klaus's assistant since before their marriage.

The disappearance of Klaus has shattered her and gotten the best of her anxiety.

Elissa always prioritized love over work. She dedicated her life to serving Klaus because she admired and respected his selflessness.

Elissa is a redhead who is usually seen wearing joggers and a t-shirt, which probably matches whatever she is wearing on her legs.
